

Interview with Jonny Newton

Intro

Hello everyone and welcome to THE Overland Podcast

- Thank you for joining us!
- We are excited to bring to you one of our favorite faces that floods our Instagram each and every day!
- I love seeing the content that he puts out each day.

Jonny, thank you for joining us!

Personal

- Tell us a little about yourself and where you are from?
- How did Overlanding/vehicle-based camping become a thing for you?

Vehicle & Gear Setup

- Tell us about your rig and why you chose that specific one as the one you wanted to build out?
- How have you modified or outfitted your truck for overlanding?
- What are your favorite modifications you have done?

Travel & Experience

- What is your normal area you love to head out into?
- What's been your most memorable overlanding trip so far?
- Have you ever gotten stuck or broken down in a remote area? How did you handle it?

- How do you find and plan your overlanding routes?
- What are some of your favorite places you've overlanded to?
- What's one unexpected lesson you've learned from overlanding?
- How do you manage food, water, and supplies for extended trips?
- Have you met interesting people on the road? Any stories stand out?

Challenges & Advice

- One of the problems that we have here in Arkansas for people coming here to Overland, is figuring out which trails can and which ones can't handle a full-sized rig?
 - Have you had any issues out where you live?
 - Do you ever have to consider this?
- What's your biggest challenge in running a full-size truck off-road?
- What are the biggest downsides of overlanding in a full-sized truck?
- How does your truck handle off-road terrain compared to smaller rigs?
- How do you manage storage and organization in a full-sized truck?
- How do you handle tight trails or areas where a full-sized truck might struggle?
- What advice would you give someone considering overlanding in a full-sized truck?
- What's one thing you wish you knew before you started overlanding?
- How do you balance comfort and practicality in your setup?

Lifestyle & Philosophy

- What does Overlanding mean to you—adventure, self-reliance, something else?

- How has overlanding changed your perspective on travel and life?
- Do you see yourself doing this long-term, or have you thought about traveling other ways?
- How do you document your travels—photos, videos, journal?
- Do you prefer to travel solo, with a partner, or in a group?
 - How does that impact the experience?
- If you could overland anywhere in the world, where would it be and why?

Conclusion and Wrap-Up

- Brother, thank you for coming on sharing with us a little about yourself and sharing your expertise.
- I have thoroughly enjoyed this time and wish you all the best in 2025.
- Thank you to everyone who is listening.
 1. Thank you to our sponsors who make sure the show happens each week
 2. All everyone who supports us by listening and participating.
- I hope you all have a wonderful week
 1. Get outside...
 2. Learn something new
 3. Get involved...don't just sit back and watch others make a difference...YOU make a difference.
 4. Whether you travel by Rig or by shoe, whatever you do, look out for number one and don't step in number 2.
- Tll next week, we are OUT.
